**Camp Objective:** The General Softball Camp is run by Jody D'Amato and her staff who have combined years of teaching and coaching on all levels of competition from youth leagues to college. Camp objective is to provide a foundation of various skills and a positive softball experience for all participants. It aims to accomplish this through improving each athletes skills and knowledge of the game so the participant leaves as an improved softball player. We will show the younger athlete that the game of softball is fun, and for the more experienced athlete, fine-tune and give pointers to improve their skills and enable them to become the best they can be.
